

Utilizing manufacturer-provided coupons to significantly reduce the cost on eligible high-cost brand and specialty medications.

Variable Copay™ is a revolutionary program designed to significantly reduce the rising cost of eligible brand and specialty medications by utilizing manufacturer-provided coupons. With Variable Copay™, your out-of-pocket cost for prescription drugs may be reduced or eliminated by a drug manufacturer's coupon.

Variable Copay™ will also contact your prescribing physician when additional refills are needed on your prescription.

How Variable Copay™ Works

- ✓ Nearly every brand and specialty drug have a manufacturer coupon available to bring value and savings to the member. Examples of brand and specialty drugs with a manufacturer-provided coupon are Humira, Xarelto, Enbrel, Eliquis, Lantus, and Ibrance (subject to change). Please visit variablecopay.com for a complete listing of Variable Copay™ medications.
- ✓ If you currently fill prescriptions for any drug(s) eligible for the Variable Copay™ program, you will be contacted by letter or telephone from Variable Copay™ (833-439-9617) and enrolled in the program.
- ✓ Your medications will arrive at your doorstep monthly via a shipping courier (UPS, FedEx, DHL) - approximately 5-7 days before your current medications are completed. A Variable Copay™ Network Pharmacy will communicate with you each month on reminders of your shipment and verification of address.
- ✓ Should you have any issues regarding your prescription fulfillment, please call (833) 439-9617 to speak with a Variable Copay™ Customer Care Specialist.
